ABOUT US

We as a small family business started with humble beginnings, once upon a time, aiming to service a community in KZN along the borders of Eastern Cape (Transkei).

Driven by passion, we believe in building relationships, providing our best service, most competitive prices and excellent quality.

“MAKING IT AFFORDABLE FOR CONSUMERS & STUDENTS”

With the grace of the Almighty, our family business has reached many milestones along this journey. We have managed to grow our customer base and now service all provinces in South Africa, alongside our neighbouring cross-border States. We will continue to strive in achieving our goals and that is,

“MAKING IT AFFORDABLE FOR CONSUMERS & STUDENTS”

As education is knowledge & knowledge is the future.

We take this opportunity to thank all of our clients, supply chain, manufacturers and all that are instrumental in their continued support.
